Important Questions	Answers	Why This Matters:
What is the overall <u>deductible</u>?	\$1,000 Individual/\$3,000 family <u>network providers</u> . \$2,000 Individual/\$6,000 family non-network <u>providers</u> .	Generally, you must pay all of the <u>cost</u> of the <u>deductible</u> amount before this <u>plan</u> begins to pay for <u>covered health care services</u> for you and your family members on the <u>plan</u> , the <u>deductible</u> must be met before the <u>plan</u> begins to pay.
Are there services covered before you meet your <u>deductible</u>?	Yes. <u>Preventive care/screening</u> and <u>primary, specialist, emergency room, or urgent care provider services</u> as long as you use a <u>network provider</u> .	This <u>plan</u> covers some items and services before you meet the <u>deductible</u> amount. But a <u>copayment</u> may apply. "For example, this <u>plan</u> covers <u>preventive services</u> without <u>cost sharing</u> and before you meet the <u>deductible</u> . See the <u>list of covered preventive services</u> at https://www.healthcare.gov/coverage/preventive-services/
Are there other <u>deductibles</u> for specific services?	No.	You don't have to meet <u>deductibles</u> for <u>preventive care/screening</u> and <u>primary, specialist, emergency room, or urgent care provider services</u> .
What is the <u>out-of-pocket limit</u> for this <u>plan</u>?	For <u>network providers</u> , \$5,000 Individual/\$10,000 family for most medical services. For non-network <u>providers</u> , \$10,000 Individual/\$20,000 family for most medical services.	The <u>out-of-pocket limit</u> is the most you must pay for <u>covered health care services</u> before the <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , the overall family <u>out-of-pocket limit</u> must be met.
What is not included in the <u>out-of-pocket limit</u>?	<u>Premiums</u> , <u>balance-billed</u> charges, health care this <u>plan</u> doesn't cover, non-network <u>coinsurance</u> expenses.	Even though you pay these expenses, they do not count toward your <u>out-of-pocket limit</u> .
Will you pay less if you use a <u>network provider</u>?	Yes. See www.mctwf.org or call 1-800-572-7687	This <u>plan</u> uses a <u>provider network</u> . You must use a <u>network provider</u> in the <u>plan's network</u> . You will pay more if you use an <u>out-of-network provider</u> , and you may have to pay for the difference between the <u>plan's allowed amount</u> and the <u>provider's charge</u> .

All [copayment](#) and [coinsurance](#) costs shown in this chart are after your [deductible](#) has been met, if a [deductible](#) applies.
